**DONATIONS**

The Association is a non profit charitable organization supporting persons with Kabuki syndrome and their family. Our aim is to provide a line of communication, particularly to the families with newly diagnosed young children with the condition.

Many of the Kabuki syndrome persons, and their Family had never met another person with this condition until National Family Days had been organized.

There are approximately 30 families within Australia, some isolated without personal contact with another family. To be able to give support each other, share experiences and have social contact the National Family Day is an important event to attend.

Through the generosity of donations the Association can support this much valued event.

Donations may be made out to the Association and sent to the Treasurer.

Donation can be made by:

CASH / CHEQUE: / MONEY ORDER: ( made payable to the Association)

BANK TRANSFER: to ANZ BANK GLENSIDE, SOUTH AUSTRALIA 5065

( SBS: 015-257 Act. No. 492416845)
